YOU'LL GAIN AN EXCEPTIONAL LEGAL EDUCATION.

Capital Law prepares students to become successful lawyers. Our curriculum ensures students develop foundational skills that are essential to a successful legal career, including legal research, analysis, and writing; litigation and advocacy; and skills in business, project management, interpersonal communication, and leadership.

Plus, you can personalize your education to sharpen your focus with one of our three dual degrees:

- J.D./Master of Business Administration
- J.D./Master of Science in Nursing
- J.D./Master of Theological Studies

[Our ideal location in downtown Columbus](#) supports the experiential learning focus of our curriculum. From the law school, students can walk to the heart of Ohio's legal community, which includes:

- The Ohio Supreme Court
- The Statehouse
- The Ohio Attorney General's Office
- A State Court of Appeals
- A Federal District Court
- The Franklin County Court of Common Pleas
- The headquarters of numerous law firms, banks, insurance companies, and Fortune 500 corporations

WE'RE COMMITTED TO EXPERIENTIAL LEARNING.

Capital Law is proud to be a pioneer in [experiential learning](#). Our curriculum emphasizes the importance of simulated and real-world opportunities that prepare our students to stand out in their careers. You'll explore hands-on opportunities, such as externships in all legal sectors; clerkships with firms, government agencies, courts, and corporations; teaching and research assistant positions; pro bono work with the Legal Aid Society of Columbus, VITA, and other nonprofits; and more!

“The fact that the law school is located in center city Columbus was a major deciding factor for me ... Its proximity to the Ohio Supreme Court, Ohio Statehouse, and groups like the Columbus Bar Association might be my favorite part of being in Columbus. The walkable access to these legal entities means a lot to me, and the good food and entertainment don’t hurt as well!”

“There wasn’t even a question about which law school I was going to attend... Capital is the only law school in Columbus that offers a part-time evening program that is devoted to people who also work full time and have families.”
